

...but when I need to care about everyone,
check the progress with every department,
reviewing our work all the time -
it gets a bit overwhelming and...

Ah! And all these notifications!
They come 24 hours non stop and
makes me anxious all the time!

...Do you get tired of
your work sometimes?

I mean, I LOVE my job, it's
meaningful, it's a great workplace,
and I love everybody here...

...I want to read web comics...

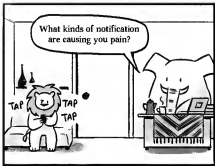

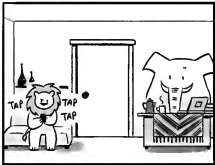

Um... a lot? Messages, chat groups, comments, questions, emails, status updates, game requests, reblogs...

Leo, you should go on a digital detox.

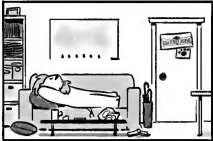

Hold on a sec - let me reply this first..

Just write "Dear Editor" or
"Dear Master Elephunk" in your comment,
and I will forward them to him!

My pleasure to answer your
questions. I will respond in
the best of my ability.

Hello dear readers! We are happy to announce our new section "Letters to the Editor"!

Every other Saturday, Master Elephunk will pick several letters to answer.

...I need your wise words
and guidance.

How can I help, Leo?

All is well.
How about you?

I'm rather busy today. Leo
took a day off and there are
lots of questions coming in.

Maybe I should tell
the readers to write
directly to you.

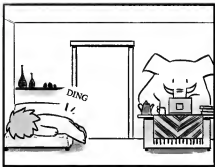

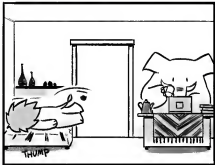

No problem. Leo should take some time off to find his inner zen.

Great!

Master Elephunk,
how is your work going?
